

# MEGA BITE ECO

## DESCRIPTION

MEGA BITE ECO is an effective and eco-friendly hand cleanser with natural scrubbing agents of olive kernel powder and rape seed oil for heavy to extreme dirt removal. It's solvent free and adapted to the natural pH value of the human skin.

MEGA BITE ECO have been carefully tested and proven safe to both healthy and damaged skin. The cleaning agents in Mega Bite Eco meet the requirements for easily biodegradability according to EU No: 648/2004.

## PROPERTIES

- Perfectly combines high cleaning power with good skin compatibility and environment soundness.
- Especially suitable for the removal of heavy and extreme dirt e.g. from oil, grease, graphite, soot, metallic dust etc.
- Used surfactants are very mild and produced from sustainable resources.
- The cleaning effect is supported by olive oil kernel powder whose grain structure and fineness is especially adapted.
- Duo to its low specific weight, blockages of drains and pipes are not to be expected.
- The content of rape seed oil supports the cleaning effect of the product and helps to prevent skin irritation due to its lipid-balancing effect.
- Duo to the products pH-value, the natural acid mantle of the skin is not affected.
- Very economical, when correctly used and applied.

## FIELD OF APPLICATION

- Especially for the removal of heavy and extreme dirt in:
  - Maintenance and reparation.
  - General industry
  - Coachworks.
  - Automotive, service, garages, workshops.
  - Metal industry
  - Paint industry
  - Construction
  - House painter's workshop.
  - House and garden.

## USER INSTRUCTIONS

Apply Mega Bite Eco evenly on the dry skin. Continue washing adding a little water. Rinse off with plenty of water and dry the hands thoroughly. If the product gets into your eyes, rinse thoroughly with plenty of water.
